Thank you!

After two months of full renovations, major stocking and lots of work, Global Pet Foods Kanata is finally open!

Doors opened on May 2 at 700 Eagleson Road and the response has been outstanding. The staff - Shawn, Karla, Julie and Casey—are more than happy to answer any pet-related questions.

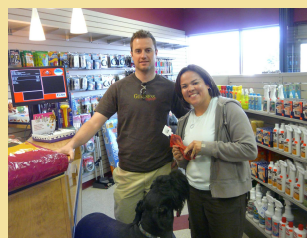

We take the family and personalized approach, so feel free to bring your pets to try new products or to just show them off—we love seeing them at the store! Bring your kids to!

You will more than likely meet Pepe, the fantastic store dog (a Giant Schnauzer), who is also the reason why this store came to be in the Kanata area.

Thank you for your support and we look forward to seeing you again!

Now Taking Grooming Appointments

We are happy to announce that the grooming area is now open! We have three fabulous groomers that have over 35 years experience combined.

Claudia is our Monday groomer—she is extremely patient and well-natured. Loves to do one-one-one time with the dogs. She is the owner of Rufflections Pet Salon in the East end of town, and has graciously accepted coming all the way to Kanata to beautify local pooches on Mondays.

Carole is our Tuesday, Wednesday, every other Thursday and every other Saturday groomer. She recently came back from a creative grooming competition in New York and was asked by a judge to do it again next year! She is very experienced and will do just about any dog and cats (as long as they're nice!). She used to own Carole's grooming on Bank Street, but decided to get rid of the overhead and is now working at several high-end salons in the Ottawa area.

Jennifer is our Friday groomer. She just moved from Kingston where she used to operate her own doggy salon. She is retired, but found it too quiet and decided to join our great little family. Lucky us! She is as patient and loving as can be and prides on the one-on-one, individual time she puts to each and every dog.

Please call us to book your appointment at: 613-599-0660

SUNDAYS: Self-serve doggy wash! We provide everything, you bring your dog and leave the mess to us! Call us to book your time.
