Welcome To Our Two New Fabulous Staff!

We are thrilled to announce that our staff of knowledgeable nutrition specialists has expanded!

Heidi Scurrrell joined us in early September. You can see her and Perdita (a gorgeous Greyhound) during the evenings. She is friendly, smart and has a wicked sense of humor.

And brand spanking new to our store is Jen Besharah. She comes from another pet food retailer, so she is a veteran in the industry. She will bring Tally, her chatty Alaskan Malamut, from time to time.

So that adds to a total of four fabulous part-timers. Everyone already knows, of course, Julie Lavery and Casey Brewster—our original two. Please welcome Heidi and Jen next time you stop by!

Canada's Healthy Choice For Pets

New Products at our store:

Canine Plus Lifetime Food is made in St Mary's, Ontario. Nutreco is very proud to be able produce a quality food with local ingredients. 90% of ingredients come from within 30 minutes of the plant. All formulas are corn free, wheat free and by-product free with no artificial chemicals, colorings or preservatives. Three formulas to choose from. Suitable for all life stages.

RC Pet and Canine Equipment products are Canadian made and offer great quality collar, leashes, harnesses and other accessories.

Angel Pet products offer elegant and high-quality leather leashes and collars at very affordable prices.
